## **Our vision:**

When we started our virtual firm, our mission was to provide the same high quality services to our clients in a greatly reduced cost. We are able to accomplish this due to our low overhead and work efficiency. In fact, in a recent survey, the overhead cost for large law firms was approximately 35% of collections, which equates to several hundred thousand rupees of overhead for each partner. With Preach Law LLP, our overhead per equity partner is approximately 15%. We are also pleased to point out that many times most law firms charge for consultancy, we provide for free. This gives us a distinct advantage over our competitors.

The partners of the firm, represent a myriad client base including individuals, company, banking and financial institutions, public sector undertaking, NGOs, corporate and commercial questions that can challenge any organization operating in today's complex competitive environment. The firm providing services to its clients from almost all sectors including but not limited to telecom, e-commerce, technologies, ITE's, Power, healthcare, real estate, defence, retails, pharmaceuticals, education, infrastructure, media, automobile etc. Our highly qualified experience team work closely with clients towards corporate compliance and setup robust compliance & audit programs.

**Preach Law LLP** offers practical, value-driven solutions through outstanding civil litigation, criminal litigation, consumer goods & life science, corporate real estate, industrial & labour dispute, tax & accounting, income tax, formation of company, corporate affairs, domestic violence, family dispute, dishonour of cheque, quashing of FIR/Bails & trials and defamation cases knowledge and savvy thinking.

### **Virtual Firm Model:**

*Preach Law LLP uses a unique, virtual firm model that has substantially reduced our overhead costs, allowing us to pass along significant savings to our clients. The virtual firm model is so unique that it is not only saves our clients' money, but they provide the same and higher quality services with greater efficiency than with large law firms.*
